- (e) Joining or lending active support to any organization or movement whose purposes and objectives are contrary to the fundamental principles of the Government of the United States of America.

SECTION 2 -- An officer or member found guilty of any of the foregoing or other offense after the filing of charges and the holding of hearings and other procedures as prescribed in this Article may be disciplined by probation, suspension, expulsion, fine, or other appropriate disciplinary action. Except in cases of suspension or expulsion for non-payment of dues or per capita, no disciplinary action shall be taken for violation of any of the provisions of the Article or of the Constitution or By-Laws of A.P.W.U. or the Boston Metro Local until an accused individual has been accorded the following procedures.

SECTION 3 --

- (a) The Executive Board of the Boston Metro Local shall have jurisdiction to hear and determine any and all charges under this Article of the Constitution.
- (b) Proceedings under this Article may be initiated by any member of the Boston Metro A.P.W.U. Local by filing charges with the Vice President/Treasurer of the Local. In the event the Vice President/Treasurer is the accused, charges will be filed with the Recording Secretary of the Local. All such charges shall be in writing and signed by the accuser, and shall be sufficiently explicit so as to inform the accused of the nature of the offense with which he/she is charged.
- (c) The Vice President/Treasurer or the Recording Secretary with whom such charges are filed shall promptly transmit by registered mail a copy of the charges to the accused at his/her last known address. Copies thereof shall also be transmitted to the Local Executive Board. Accompanying the charges shall be written notice of the date, time, and place of the hearing which shall be held not less than one (1) week after the date of delivery of the notice.
- (d) The accused shall be accorded a full and impartial trial on the charges before the Local's Executive Board or its designated hearing panel with the right to appear personally and be represented by any member of this union, but whether the accused shall be represented by an attorney in such trial shall be left to his/her own discretion and expense. The accuser shall also have the right to be present during hearing trial.
- (e) A hearing may be held on a charge notwithstanding the failure of the accused, after being given notice thereof pursuant to the provisions of this Article to appear thereat.

- (f) The Local's Executive Board shall constitute the trial board before which hearings on the charges shall be held provided, however, that the Executive Board may appoint at least three (3) of its members, who shall be impartial, to act for it as a hearing panel for the purpose of holding hearings. In such a case, the hearing panel shall hold such trial under such trial procedure as shall be determined by the hearing panel, shall make findings of fact and conclusions of law in respect to such charges, and shall recommend to the Executive Board when disciplinary action, if any, should be taken by the Executive Board; however, the Executive Board shall determine for itself what disposition would be made of the charges. Any conclusions of law will be referred to Legal Counsel retained by the Executive Board; the accused shall not have the right to vote on the charges.
- (g) Any decision or disposition of charges by the Executive Board of the Local shall be reduced to writing and submitted as a report to the Recording Secretary of the Local, including a synopsis of the testimony introduced at the trial, together with the verdict, "guilty" or "not guilty", and the recommended disciplinary action, if any. Upon receiving the report, the Recording Secretary of the Local shall read it at the next regular union meeting and, in the event of a guilty verdict, shall submit first the question of sustaining the report as to guilt or innocence, and if guilt is determined, then the question of accepting or rejecting the recommended disciplinary action.

SECTION 4 -- Any person or body against whom disciplinary action has been taken or whose charges have been dismissed in whole or in part shall have the right to appeal as follows:

- (a) From the disciplinary action of or dismissal of charges by a local union, (1) to the National President, (2) to the National Executive Board, and (3) to the National Convention.
- (b) From the determination on appeal of the National President (1) to the National Executive Board, and (2) to the National Convention.
- (c) From the determination on appeal of the National Executive Board to the National Convention.
- (d) In acting as an appeal board, the National Executive Board may appoint one of its members, who shall be impartial, to set for it for the purpose of hearing any appeal, in which case the member so named shall make a recommendation to the National Executive Board concerning the disposition of the appeal, but the National Executive Board shall determine for itself what final disposition shall be made of the appeal.
- (e) Appeals shall be taken within a reasonable time not to exceed thirty (30) days from the date that notice of disposition of the charges or disposition of any intermediate appeal is delivered; provided, however, that the appellate body may, in its discretion, exceed such time for appeal if circumstances so warrant, appeals shall be in writing and shall state the basis of the appeal. The appellant shall be permitted to present such appeal in person before any appellate tribunal provided, however, that in the case of an appeal to a National Convention, such personal appeal shall be limited to an appearance before the Convention Committee established to deal with the appeals unless such appeals committee or the Convention itself determines to permit a personal appearance before the Convention.

- (f) Individuals against whom disciplinary action has been taken shall be obligated to exhaust all remedies provided for in this Article and in the Constitution and By-Laws of the A.P.W.U. before resorting to a Court of Law or other tribunal.
